## **DDD and ZUPP '12**

**- integrated approach -**

**20<sup>th</sup> – 23<sup>rd</sup> March 2012**

**City of SPLIT (Dalmatia), hotel Le Méridien Lav\*\*\*\*\***

The 24<sup>rd</sup> traditional Croatian Seminar on Disinfection, Disinfestation and Deratization (DDD – Pest Control) and The Agricultural Stored-Products Protection (ZUPP) will be held in City of Split, Croatia, in hotel Le Méridien Lav, from 20<sup>th</sup> to 23<sup>rd</sup> March 2012.

This seminar will bring together the experts from life sciences, the food and grain industries, pest control and pesticides industries, the educational institutions and the governmental agencies. The seminar will provide the opportunity for researchers, pest control industry experts, food manufacturers, regulators, and product manufacturers to exchange ideas in an open forum, and focus their attention on current and future issues influencing DDD and stored product pest management. Introductory presentations will overview and highlight key issues and directions. These presentations will be used as a platform to launch open discussions on DDD and stored product management needs relevant in the near future.

In a variety of pest control activities around the world, both in agriculture and in public health, chemicals continue to play a significant role, and probably this trend will be sustained for many years to come. However, in the recognition of current worldwide concern about using dangerous chemicals, there is a high priority for the search to develop and introduce into the practice, effective, economical, practical and environmentally acceptable alternatives to synthetic conventional pesticides currently in use.

The main topics of the seminar will cover current and future prospects for DDD and ZUPP in Croatia and in the world, the legislation, regulations, co-operation, inspection and other issues related to administration of DDD and ZUPP in Croatia, eco-toxicology and the pesticide industrial program. Also, the needs for the priorities research will be addressed. A comprehensive pesticide industry exhibition of the latest in DDD and the stored-products protection will be held in conjunction with the seminar.

As in previous conferences, the organizer expects that the experts from life sciences, food and grain industries, pest control and pesticide industry will present papers reporting the basic problems in their store facilities and in public health and the ways of solving them. The discussion on the current issues in DDD and stored-products protection in Croatia and neighbouring countries will be especially initiated by moderators of the seminar Sections.

**The ABSTRACT of the paper should be submitted to the organizer before November 15<sup>th</sup>, 2011** on the application form for participation in program of the seminar. The requirements for the content of the abstract are: 1) The aim of the research; 2) Introduction; 3) Material and Methods; 4) Results; 5) Conclusion and Key words, as well.

**The FULL PAPER must be submitted by December 20<sup>th</sup>, 2011.** The paper should be written in English. The requirements for the content of the paper are: 1) Full name(s) of author(s) and the institution(s); 2) Title of the paper; 3) Abstract; 4) Key words; 5) Introduction; 6) Objective(s); 7) Materials, Method; 8) Discussion, conclusion; 9) References.

The paper will be published in the Proceedings of the seminar. From 2004 Proceedings of the Annual Croatian Seminar "Disinfections, Disinfestations and Deratization (DDD) and The Agricultural Stored-Products Protection (ZUPP) are screened, abstracted and loaded onto **CABI Abstracts databasis** ([www.cabi.org](http://www.cabi.org)). Also from 2009 CABI create a digital copy of the Publisher's content and archive it in its **CABI Full Text database** making it available via its databases for the purposes of research, education and practice.

The maximum length is approximately 10 pages. The paper will be technically edited according to the requirements of the editor of the Proceedings.

The paper should be written in Word document and may be sent by e-mail to the address: [korunic@zg.t-com.hr](mailto:korunic@zg.t-com.hr)

**The POWER POINT PRESENTATION should be submitted to the organizer before March 10<sup>th</sup>, 2012.**

The official language of the seminar is Croatian. The paper may be presented in Croatian or in English. For the presentation in English, if needed, a translator will be available.

The second and final announcement with details about accommodation and costs along with an overview of the program will be sent to the participants during the last week of February 2012.

Participation fee for seminar is 180,00 EURO (costs of accommodation is not included). Exempt from the payment of the participation fee are only the lecturers - the first speakers and sponsors according to the offer for presentation of industry.

Information regarding to the fee payment will be given in the final announcement.

**Best regards hoping to see you at the seminar.**
